## CPCCOHS1001A

### Work Safely in the Construction Industry

#### Duration

Self-paced online learning.

#### Assessment

Theory assessments are applicable to this training course.

#### Pre-requisites

Nil

#### Who Should Attend

This course supports the attainment of the basic OHS knowledge required prior to undertaking designated work tasks within any of the sectors within the construction industry.

It requires the ability to demonstrate personal awareness of OHS legislative requirements, and the basic principles of risk management and prevention of injury and illness in the construction industry.

The unit relates directly to the general induction training program specified by the National Code of Practice for Induction for Construction Work (ASCC 2007).

#### Benefits

- Nationally recognised training
- Convenient online training

#### Course Cost

Mature Age Trainee: \$55.00 - *GST not applicable*

High School Students: \$39.00 - *GST not applicable*

\*High School Student discount - Participants MUST provide current High School Student identification to receive the discounted price.
